

MOMS' HEARTBEAT

A ministry of Newheart Foursquare Church

MISSION STATEMENT

In a culture that minimizes our value and role as mothers, Moms' Heartbeat exists to encourage women in the profession of motherhood, the hardest job we will ever hold. We want moms to understand their God-given value and the important role they play in effecting the eternal Kingdom of God. We do this in several ways:

1. Offering support and encouragement through a weekly Bible study, being available for prayer and fellowship.
2. Being a confidant and intercessor to help one another as we take another step closer to the heart of God and we grow into an ever deepening relationship with Christ.
3. Assisting the Women's and *Heartfelt Hospitality* ministry
4. Providing an atmosphere for moms to develop lasting relationships.
5. Training moms to find their gifts, abilities and places of ministry to effectively touch their world for Christ.
6. Planning monthly activities for moms and children.
7. Creating and offering mentoring opportunities.
8. Scheduling a yearly "getaway" for moms.

If you are the mother of a newborn child thru high school student, won't you join us on Tuesdays from 9:30 - 11:00 am - we would love to embrace you and your family in Christ.
