*Bringing the Love of God to the Heart of Altadena*

May 21, 2010

Dear Parents,

Greetings from the Warriors for Christ leaders! Summer is almost here and youth camp is quickly approaching. I am excited to say our youth group will be going to the district summer camp at Camp Cedar Crest.

Camp is an amazing opportunity for our youth to draw closer to our Father God and enjoy fellowship with other peers. Please begin to pray for this time and connect with me at your earliest convenience.

Here are some of the details:

DATE: **July 19-22**

COST: \$140.00 (checks made payable to "New Heart Foursquare Church")

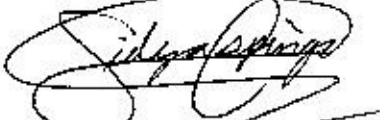

DUE: June 30 (camper application and money due)

\* Please note, all student medication will be collected before arriving at camp and held by the camp staff at all times. Please see me for instructions.

This year's theme is "In not of" as a point of hearing what God is saying to us in this season and how we are in the world but are, at the same time, set apart from it (John 17:13-19).

The leaders and I anticipate this to be a great experience and expect nothing less than what God has for our youth!

In His Service,  
WARRIORS FOR CHRIST
