

*"Works of HeArt" Vision -- Women who
Know their Master Artist intimately,
Understand their unique design, and
Reflect His heart purely.*

**Eph. 2:10 -- For we are God's masterpiece. He has created us anew in Christ Jesus,
so that we can do the good things He planned for us long ago.**

Dear Church Family:

I want to take this opportunity to let all of you know about some important information and events that pertain to everyone at New Heart...*not just our ladies*...that I believe you will be quite excited about! And since you are family, also included are the Vision and Mission of the "Works of HeArt" Women's Fellowship to remind you of the heartbeat of this ministry.

As you know, periodic announcements are made regarding upcoming events involving the women's ministry for several reasons: so that everyone will pray...so that our ladies will attend...and so that financial gifts can be given to enable those who can't afford to go the means to participate (because we don't want anyone left behind!). Therefore, with Pastor's approval, it is with great joy that I announce the following brand new *scholarship fund* designated to assist our women in attending our events:

The Barbara Mandella Scholarship Fund

As I was thinking about Barbara following her memorial service, I couldn't help but smile, remembering her joy and gratitude in being able to go to Retreat last Fall. (In fact, the picture that were shown that evening were from that Retreat.) She had so much fun with her sisters! Afterwards, she couldn't stop saying "Thank You!" for the financial assistance she received from the women's ministry. And I thought, what a sweet way to remember Barbara, and to help others be able to attend! And so the *Barbara Mandella Scholarship Fund* was born. Each time someone wishes to donate toward helping our ladies, they will simply note on their check: for "Barbara Mandella Scholarship Fund"...and our beloved sister and friend will be thought of, while at the same time, someone else will be given the opportunity to attend an inspiring, life-changing (fun) event as she was. And, your gift will be tax-deductible!

Let me list a few of our upcoming women's events so that you may pray, attend, and/or donate!

- ♥ Ladies' Tea - May 8, 1-3pm, \$20: "High Tea, High Praise, High time!"
Special Guest Speaker/Singer: Rev. Karen Heimbuch
- ♥ District Retreat - May 21-22, \$45/\$55: "Restore My Soul"
The Church on the Way, Santa Clarita
- ♥ Women of Hope Retreat - Sept. 17-19, \$140/\$185: "The Father's Love"
Special Guest Speaker: Rev. Debbie Sayovitz (at The Oaks)

And as promised, also included below are the Mission and soul of the "Works of HeArt" Women's Fellowship for your information. (Our Vision Statement is listed on the top of the first page.)

"Works of HeArt" -- Women who are being lovingly crafted by the Master Artist Himself and designed from the desires of His own heart for relationship with Him. **"Works of Art"** -- women who are individually made, carefully crafted, specially detailed, and uniquely different... perfectly designed by the same Creator who painted the sunsets and the rainbows, who sculpted the mountains and the ocean waves - to reflect His likeness.

Our loving Father desires to reveal Himself to us and manifest His heart through us so that we are reflections of Him...pure "Works of HeArt"...daughters who mirror their Daddy's characteristics and desires.

Our monthly meetings are designed to provide opportunities for fun, fellowship, inspiration and transformation, and are breathed upon by the Holy Spirit as we welcome His presence. Jesus is faithful and always lavishes His love upon us in a special way as we Embrace the Cross, Embrace the Word, and Embrace each Other.

Father God longs to do a deep and beautiful work in each of us so that as we mature in Him and in His Word...we transform our church, our community and our world in His name and by His Spirit. As "Works of HeArt" in progress, we invite you to resolve with us and say, "Come, Holy Spirit, purify our hearts, and make us a masterpiece of the Father's Heart so that we reflect His image and change our world."

*"Works of HeArt" Mission --
Women will receive Biblical Truths that
Communicate the Father's heart,
Cultivate their unique design, and
Change them into His likeness*

May the Lord richly bless you. Please know that you are deeply loved and appreciated!
